Marriages – Part One

1868 - 1890

Al Dahlquist minifroggy@aol.com

This is the first installment of the marriage records of the church of St Louis, King of France in St Paul Minnesota. I have listed parents and ages when given, and also in < > brackets have added those parents that I know from other research I have done. I would appreciate members recognizing any mistakes or clarifications in names, additions of parents etc. to email me at [minifroggy@aol.com](mailto:minifroggy@aol.com) we will publish all that are sent in coming issues. I am also continuing the extracting of marriages and should have more ready in a few months.

Looking for a winter project? Do you have a subscription to Ancestry.com? In some cases it would probably be possible to figure out the parents using the census preceding the marriage year.
